1.2 MILLION SQ FT IN WAREHOUSING SPANNING 250 ACRES ACROSS KARACHI, GHARO, GOLARCHI, SHEIKHUPURA, PINDI DAS, LAYYAH AND CHAUBARA MAKES GARIBSONS THE SINGLE LARGEST PROCESSORS, MILLERS AND EXPORTERS FROM PAKISTAN.

Rice Milling Capacity

2500 Tons Per Day

Wheat Flour Milling Capacity

240 Tons Per Day

120 Tons Per Day

3 Parboiling Plants Capacity

25 Mtons/hour

Rice Husking Capacity

80 MTons/hour

State-of-the-Art Machinery

We have 9 'Z series' latest sortex machines. In addition to regular packing machines, we have Form-Fill-&Seal automatic machines to custom-pack consumer packaging (ie: 1kg, 2kg, etc) in PET+PE packing materials.

Warehousing Facility

Our warehousing facility is more than 1.2 million sq ft in industrial, spanning 250 acres across Karachi, Gharo, Golarchi, Sheikhupura, Pindi Das, Layyah and Chaubara. This infrastructure makes Garibsons the single largest processors, millers and exporters from Pakistan.

Rice Production

We purchase paddy directly from farmers when the new crop comes in. First processing is done at our Husking Plants in Punjab. The de-husked rice re-processed in our Karachi mills aligns with buyer benchmarks and requirements.

150

150 TPD PP Plant for Inhouse Bags. Complete In-house Cotton/Jute Bag Printing Facility

45

Approximately 45 acres of one of our lands, has been certified for the cultivation of Organic Rice.

Storage Facility

We have 23 silos imported GSI (USA), each with a capacity of 4,250 MT. Units have been installed at our facilities in Port Qasim, Sheikhupura, Gharo, Golarchi and Pindi Das. Silos are also used for Wheat and Maize.

MUGHAL FOODS

Mughal Rice and Atta are available in a variety of sizes and packaging. Mughal Rice guarantees better quality during cooking resulting in a longer grain, more aromatic and stronger than any brand in the same price range. Mughal is one of the largest-selling brands in all modern trade outlets in Pakistan. These include Makro, Metro and Carrefour's local outlets (Hyperstar).

In fact, the French hypermarket chain that has supermarkets globally, Carrefour selected Garibsons as the preferred supplier for quality rice from Pakistan.

Competitive Edge

Mughal is geared towards a variety of price ranges with the simple guarantee that our rice cooks longer, is more aromatic and is a stronger grain than any brand in the same price range.

Wheat Export

Garibsons exported the following quantities under the Government of Pakistan's 3 Exports programs:

475,000 Mtons in 2000-2001

100,000 Mtons in 2003-2004

220,000 Mtons in 2010-2011

Range and Variety

Mughal Rice is available in a range of sizes (1, 2.5, 5, 10, 20, 40, and 50 kg) and packaging (Plastic, Cotton, Non-woven, PP, Jute, and Paper Laminated) varieties.

Hybrid Seeds

In the complete supply chain of rice production, Garibsons has invested in research and development efforts to produce hybrid seeds which will enable farmers not just to increase their yield per acre, resulting in a better quality of rice.
